Governor

Post Office Box 11450
Columbia, South Carolina 29211

Dear Governor Riley:

Pursuant to statute, we respectfully submit herewith the Seventy-Eighth Annual Report of the South Carolina Department of Insurance covering the period of July 1, 1984, through June 30, 1985. As a part of this Report, the South Carolina Insurance Commission has included a number of Legislative Recommendations for changes in the Insurance Statutes of South Carolina. It is the Commission's judgment that the enactment of these Legislative Recommendations will enhance the ability of the Department of Insurance to better regulate the business of insurance in the interest of the consuming public of South Carolina. These proposals, along with the activities of the Department of Insurance and all of the licensed insurers in the State of South Carolina, are summarized on the following pages of this Report.

The Insurance Commission and the Department of Insurance stand ready to assist you and the Members of the General Assembly in the common pursuit of fulfilling our statutory responsibilities.

Respectfully submitted,

MARY JEANNE BYRD
Chairman
South Carolina Insurance Commission

JOHN G. RICHARDS
Chief Insurance Commissioner

SOUTH CAROLINA INSURANCE COMMISSION'S LEGISLATIVE RECOMMENDATIONS FOR 1986

1. *Amend the South Carolina Insurance Holding Company Regulatory Act, so as to Incorporate Amendments to the Model Holding Company Act Recently Adopted by the National Association of Insurance Commissioners.*

The South Carolina Insurance Holding Company Regulatory Act, S. C. Code Section 38-29-10, *et. seq.* (1976), is based upon model legislation developed by the National Association of Insurance Commissioners (NAIC). Among other things, the act regulates transactions and relationships among affiliated subsidiaries of a holding company system. Unfortunately, one of the main problems identified in several recent insurer insolvencies has concerned the ability of the holding company to transfer assets rapidly among its insurer subsidiaries and thereby distort their true financial condition. As a result, the NAIC has undertaken a review of the model act to strengthen the provisions regulating transactions and relationships among affiliated subsidiaries of a holding company system and has adopted changes to the model act along these lines. It is therefore recommended that the South Carolina legislation be amended accordingly. It is also recommended that certain changes be made in the portions of the act concerning mergers and acquisitions of domestic insurers, so as to remove potential conflict between such provisions and the federal securities laws governing corporate takeovers. While the South Carolina Act has never been challenged based upon such potential inconsistencies, similar holding company acts in other states have been so challenged with mixed results. Therefore, to remove potential challenge should a proper case arise, it is recommended that clarifying language be adopted to remove possible conflict.

2. *Amend S. C. Code Section 38-5-700 (1976), so as to Increase the Net Worth Qualifications of an Insurance Company Entitling Such Company to be Relieved of Filing a Statutory Deposit with the Chief Insurance Commissioner.*

Under S. C. Code Section 38-5-680 (1976), insurance companies are, as a condition of doing business in South Carolina, required to make deposits with the Chief Insurance Commissioner to protect policyholders and creditors in this state. However, S. C. Code Section 38-5-700 (1976) relieves an insurer from making a deposit under Section 38-5-680 if the insurer is possessed of a net worth of $3,000,000 and has placed on deposit with the Insurance Commissioner of its state of domicile a deposit of

$300,000 for the protection of all policyholders wherever situate. While such qualifications may have been realistic when enacted, the passage of time and experience have shown that such qualifications to be excused from filing a statutory deposit are too liberal and permit too many insurers to escape the deposit requirement. Of the 1,264 companies presently licensed to transact business in South Carolina, 1,120 are eligible to be relieved from the filing requirement under the test set forth in Section 38-5-700. In too many instances, the Department has found itself in the possession of no deposit or only a very small deposit when a foreign insurer has become insolvent and left unpaid policyholders or creditors in this state. It is therefore recommended that the $3,000,000/$300,000 test now set forth in Section 38-5-700 be substantially increased to require a greater number of insurers to make deposits in this state than are presently required to do under the law.
